

This is one of a series of briefing documents produced between 2005 and 2015 for Dragon Hall Volunteers. We have put them on our website in order to make available to the public as much information and archive material related to Dragon Hall as possible. The documents cover a range of topics and anyone is welcome to use or copy them, although an acknowledgement of the source would be appreciated.

The Dragon Hall Heritage Volunteers work in partnership with Writers' Centre Norwich, the current tenants of Dragon Hall. Details of how to contact Dragon Hall Heritage Volunteers and of their activities, including talks, walks and performances, can be found on our website: dragonhallnorwich.org.uk
